

4th International Symposium on RECENT ADVANCES IN FOOD ANALYSIS

Prague, 4-6 November 2009

TECHNICAL INFORMATION FOR SPEAKERS

The purpose of this document is to advise speakers on the required format when preparing their presentations for this Symposium.

1. Language

Your presentation should be prepared in **English**, the official language of the symposium.

2. Length, time keeping

Your presentation should be strictly based on the timings in the programme.

Visual presentations should be in Microsoft PowerPoint (Microsoft Office 2000 and higher), **delivered on the USB memory stick**. As a backup you could also bring your presentation on a CD-ROM.

Recommendation: Use at least a 36-point font for titles and 24 for body text.

3. Submission of presentation

To provide the presentation and in order to check the visual aids, speakers should meet with organizing staff operating computers in the plenary room – either in the morning before the program of the day starts or (at the latest) 15 minutes before the respective session starts.

For any question related to the programme or your presentation, please contact Prof. Jana Hajšlová (jana.hajslova@vscht.cz) or logistics organizer Dr. Jan Poustka (jan.poustka@vscht.cz).
